Redaksioneel/Editorial

It's been a while since the Hartie has seen the sun. An insatiable virus hamstringing most of our activities and a dampened editorial spirit being the root causes. As the Indigo Girls, a folk rock-duo, once said, "darkness has a hunger that's insatiable" and "lightness has a call that's hard to hear". Since we last spoke on this platform, many of us have been bobbing around like half spent mayflies caught up in what seems like an inescapable eddy. The pandemic, devastating fires and political unrest have left the country gasping for air. Those of you that can relate and are still floundering, listen ever so carefully for that very thin seem of sunshine. Once you hear it your hart will warm and slowly your life will be enveloped in a ball of light. Then you will be closer to fine again, eager to go to the mountains and drink from the fountains once more. I speak from experience!

As you are aware, the necessity to forward important information more regularly and expediently resulted in us launching WhatsApp member groups to assist the existing SMS, e-mail, Hartie News and webpage communication platforms. This has really proved fruitful and improved, in particular, the response time from members regarding critical issues like fire-arm ownership. I would like to thank all of you for your positive feedback and participation in this regard. With this addition to our communication arsenal, the Hartie now has some breathing space in terms of having to present serious written matter and to rather edge towards becoming more of a pictorial and fun read. In future, with your help, a new look newsletter is on the cards. For this to succeed, participation from you guys in terms of new ideas, photographs and fun stories is critical. Watch this space....!

Vriende, soos gerapporteer via WhatsApp is dit besluit om hierdie jaar wel die Algemene Jaarvergadering en Jaareindfunksie aan te bied. Ongelukkig moes ons die verrigtinge verlede jaar afstel weens die pandemie. Hierdie uitgawe se doel is dus hoofsaaklik om die nodige inligting oor die dag aan u bekend te stel. Die Trofee Kompetisie vind soos gewoonlik ook plaas en hierdie jaar het ons 'n toeweging gemaak in dat trofee wat beide in 2020 en 2021 gejaag was, aanvaar sal word. Vir u wat die kamera dra, onthou die Fotografiese Kompetisie skep vir u die geleentheid om daardie "snap" van 'n leeftyd uit te stal. Die kategorieë vir inskrywings word op bladsy 7 mooi verduidelik. Ook van belang is die Hendrik van Eck - Jagter van die Jaar - Toekenning. As u iemand in gedagte het vir hierdie toekenning, nomineer vir hom of vir haar. Die doelstellings en riglyne vir die toekenning word op bladsy 21 uiteengesit. Nominasies moet asseblief teen 8 November ingedien word.

Weereens is die "NKJV vereistes vir motiverings wanneer endossemente aangevra word" geplaas. Lees dit asseblief, dit sal u lewe baie vergemaklik wanneer 'n endossement aangevra word.

Verder wil ek vir al die gereelde adverteerders dankie sê vir julle lojale ondersteuning en dan ook 'n groot welkom heet aan die wat vir eerste keer in ons nuusbrieff verskyn. Ek hoop ons sal ook saam julle 'n langpad loop. Dankie aan Madelaine en DJ vir julle hulp met die samestelling van hierdie uitgawe. Dit word opreg waardeer.

Laastens wens ek almal gesondheid en 'n vroeë geseënde Kersfees en voorspoedige 2022 toe.

Groete
Charles

AGM Minutes

MINUTES OF THE CORRECTLY CONSTITUTED AGM OF THE NCHA HELD ON SATURDAY 16 NOVEMBER 2019 AT THE CAMELOT CONFERENCE VENUE

1 WELCOME

The Chairman, Charles Hall, welcomed all in attendance, especially those who traveled far including Potchefstroom, Hartswater and any others that he might have missed.

2 PRESENT

See attached list.

3 APOLOGIES

See attached list.

4 ACCEPTANCE OF PREVIOUS MINUTES

4.2 The previous minutes were accepted. Proposer:- David Knight; Seconder:- Johan Olivier and Rinus Weenink.

5 MATTERS ARISING

5.1 NCHA/MARRICK SHOOTING RANGE

The NCHA can use the range free for 7 activity days per year and our members pay a reduced hourly rate or pay a reduced yearly rate access to the range.

Members must be aware that these rates will increase early January each year with consultation with NCHA.

The Marrick office must always be contacted and a booking made for the times that you wish to use the range.

The 2020 rates are R100.00 per hour for the public, R50.00 per hour for NCHA members and R550.00 per annum as a frequent user. If any problems are encountered by our members (eg access to the main farm gate) the NCHA office must be informed so that the committee members can engage with Marrick management regarding the problem.

Vaalharts branch needs to find a shooting range that they can use on a regular basis.

Vaalharts branch are going to start and manage a Sport Skiet Klub that is affiliated to NCHA and CHASA.

There was a discussion regarding the extra costs and added advantages of having Sport Shooter Status.

It will help in stopping the loss of members to other associations.

5.2 HARTEBEEST AND HARTIE

The Hartie is being made available electronically to the members on the NCHA website.

Members who do not have printers can ask the office for a copy.

The 2018 Harties cost approximately R80 000 to produce and get to the members.

The 2019 Harties cost approximately R10 000.

Adverts are also cheaper in the electronic version compared with the hardcopy version.

Charles Hall will continue as the editor of the Hartie.

The Hartebees has been printed and will be posted to members.

Andre de Villiers started the Hartebees and is still its editor.

Andre again explained to the members that photos taken using a cell phone make a bad quality print in the magazine and asked the members to please get these photos to Swift Print directly and not use WhatsApp as this degrades the quality even further. THIS IS STILL A BIG PROBLEM.

AGM Minutes

Andre requested that members taking photos of trophies must take care that bakkies, and pools of blood, etc., are not in the photo. This is ongoing.

Anyone interested in placing ads in the Hartie and the Hartebeest can approach Madelaine. This is ongoing. The members were asked to please read and take note of the editorials and the year program. This is ongoing.

The editorials point out what members can share on multi Media, in print format and in the general public domain and what not to share or do in public. e.g. bakkies full of blood driving through town.

Charles mentioned that it seems that our members and hunters in general have noted this concern as he has not had any negative feedback regarding this for some time.

This was highlighted again.

The members were asked to please make suggestions on anything new that they want to see in the Hartie and the Hartebeest AND in the year program. This is ongoing.

Charles Hall thanked and complimented Andre de Villiers on a very professionally produced Hartebees and Andre thanked Swiftpoint and Haley in particular, Madelaine, the Advertisers and Contributors.

5.3 ASSOCIATION FIRE-ARMS

All the NCHA licences are up to date.

5.4 WEBSITE

The NCHA website has been upgraded and is working. It needs to be more active.

5.5 GWK SPONSORSHIP

The GWK gun shop offers NCHA members 15% discount on selected items but must ask the salesperson, Celia, for it and produce their current membership card.

5.6 CHASA SHOOTING FORMAT

The NCHA came second at the CHASA Provincial Competition.

The format may change in the future

Thanks was expressed to James Haddad for all his effort in putting the team together.

5.7 CLOTH BADGES

Douglas Cox and James Haddad designed and produced a Dedicated Hunter badge. They are available at the office for R50 ea.

5.8 RIFLE TELESCOPES

Douglas Cox donated scopes for the hunting rifles used at the Winter School.

They are all mounted and zeroed.

More scopes can be donated.

5.9 MOTIVATIONS FOR ENDORSEMENTS

Motivation criteria that NCHA requires to be in the motivation for NCHA to be able to issue the endorsement are listed on the NCHA Website.

5.10 FIREARM LEGISLATION

Regarding fire arms whose licences have expired and were not renewed there are 2 possibilities to follow.

1st is to use the amnesty and hand the fire arm in to SAPS for destruction.

2nd is to wait until May and see what the outcome of the court case (that was postponed until May) is.

6 CHAIRMANS REPORT

6.1 VAALHARTS BRANCH

Clayton Butler informed the NCHA that all is well at Vaalharts and they are active. Their Chairman's report is published in the Hartebeest. Charles Hall and Douglas Cox attended their 2019 AGM.

6.2 BO-KAROO BRANCH

All is well at the Bo-Karoo and the Chairman's report sent in by Jannie Bredenkamp is published in the Hartebeest.

6.3 WILLISTON BRANCH

All is well at the Williston and the Chairman's report sent in by Adrian Louw is published in the Hartebeest.

6.4 VAAL-ORANJE BRANCH

No Chairman's report was received from the Vaal-Oranje branch for 2018 or 2019. The NCHA committee will investigate in 2020.

6.5 NCHA

Charles Hall gave a summary of the activities of the year and the Chairman's report that is also published in the Hartebeest.

The Pikkie Day of 2019 was held successfully. Thanks to the team for making it happen, to Vernon Cloete for his sponsorship and to De Beers for making the venue available

The Junior Winter School was a big success and thanks to Douw Jacobs, Chris Bothma, Gawie de Wit and their team.

Included in the team of 2019 was Carl van Heerden. He came all the way from Delmas to assist where he could for the whole week. His contribution and effort is highly appreciated.

Thanks also to De Beers for making the venue available and to all the sponsors that helped make it happen. There was no Penkop Kamp in 2019 due to a lack of interest.

The first Research Harvest was not held due to rain a few days previously.

The second Research Harvest was successful with 114 buck harvested.

Thanks was expressed to Johan Olivier for all his hard work to make this activity happen and to his team.

The CHASA Exam was written by 8 members in 2019.

CHASA meetings are attended by Michael Vigne, Charles Hall, Andre de Villiers, James Haddad and Douglas Cox depending on who is available at the time.

The May 2020 CHASA meeting will be held in Kimberley

The NCHA must stay affiliated to CHASA as they are nationally and internationally connected to many other organisations and through them so is the NCHA.

A fire-fighting course was offered but only one member enquired so it was cancelled. In 2020 it will be offered again and the local fire-fighting associations will be invited to attend.

The advert/invitation should indicate the course content and also what the candidates must bring along.

Charles thanked James and Melanie for organising the venue for the competitions, AGM and the Year-end Function. Their efforts are outstanding.

Charles thanked David and his team for organising the photo competition and the judges for their time.

Charles thanked Douglas and the horn measuring team for a successful Trophy Competition.

Charles thanked Madelaine Fouche for all her hard work in the office and for helping with all the NCHA activities.

AGM Minutes

7 FINANCIAL

Piet Cronje gave feedback on the finances for 2019.

The financial documents are all printed in the AGM document.

There will be additional fees for members who want to be active in the new Sport Shooting Club.

The finances were accepted by Phillip Kenny and seconded by Herman Pretorius.

Thanks was given to various sponsors including Vernon Cloete for the Pikkie Day, the Pniel Fund for the Winter School, and many other sponsors of cash and goods.

8 NEW MOTIONS

None

9 CHASA MATTERS

CHASA is active in many national and international forums and there are some new Chasa Exco Members.

More was explained under point 6.5.

10 GENERAL

10.1 VAALHARTS SMS REQUEST

Vaalharts requested that a SMS be sent to all the NCHA members asking who will be interested in being involved with the Sport Shooting activities.

10.2 VULTURES

Research and blood tests on specifically White Backed Vultures shows that lead levels in their blood is rising over time.

Blame is partly being put on hunting. The numbers in the vulture population of the Northern Cape are improving but are declining world wide.

The research is done when the vultures are chicks Blood is taken, they are weighed and ringed/tagged.

10.3 DISCOUNTS AT VARIOUS SHOPS

There was a request that the NCHA approach the shops that give discounts to NCHA members that this fact is displayed at their till.

These shops are GWK, Freddy Hirsch, Crown National Spices and The Bottle Store at Hadison Park Shopping Center.

11 CLOSING

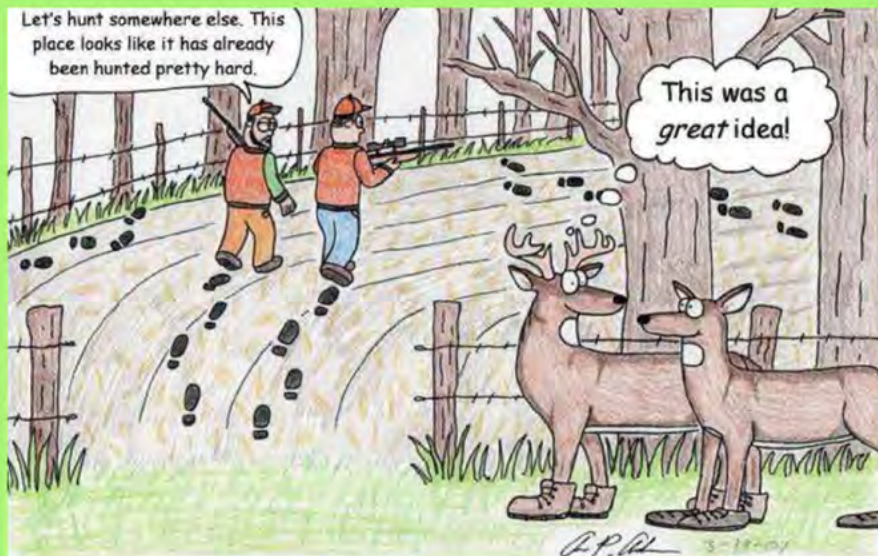

The meeting was closed with a prayer by one of our members, Lucas Steyn Jnr.

NCHA requirements for motivations when Endorsements are requested

When writing a Motivation for a Firearm the NCHA requires the following to be included if the member requires an Endorsement from the NCHA.

- 1) Full name, ID number, address and contact number of the member.
- 2) The firearm make, calibre and serial number.
- 3) The species of animal/bird that the member intends to hunt with this firearm.
- 4) Technical specifications regarding this calibre that makes it suitable to be used on these species.
- 5) Names of farms, the farm owner's names and their contact details of where the member has previously hunted.

If you are a certified Dedicated Hunter then include in the motivation that you are applying for a "license to possess a firearm for dedicating hunting in terms of Article 16 of the Firearms Control Act No. 60 of 2000."

The advantages are that you will be able to have in your possession more than 200 rounds of ammunition for that calibre and will be able to own more than 4 firearms. The license will be valid for 10 years.

If you are not a certified Dedicated Hunter then include in the motivation that you are applying for a "license to possess a firearm for occasional hunting in terms of Article 15 of the Firearms Control Act No. 60 of 2000."

Remember as an Occasional Hunter you may not have in your possession more than 200 rounds of ammunition for that calibre and will not be able to own more than 4 firearms.

The licence will be valid for 10 years.

When applying for handguns mention that you carry a handgun in the veldt to administer a "coup de gris" or "doodskoot" on wounded animals as this minimises meat and trophy damage.

When applying for .22's mention that this is a good way to practice during the off hunting season as it is cheap and that it is a good calibre to start training/exposing novices to shooting.

Members should also be aware that their applications should also take into account the local "NATURE CONSERVATION REGULATIONS" and "ACTS" and the motivations should therefore not contain anything that is contrary to the LAW.

Examples of the things to look for in the act/regulations are:-

- 1) Certain species are only allowed to be hunted with a firearms of a minimum calibre of .270 of an inch.
- 2) Certain species are only allowed to be hunted with a firearms of a minimum calibre of .375 of an inch.
- 3) No animals may be hunted with a Rimfire cartridge of 5.56mm or smaller.
- 4) In certain provinces it is illegal to hunt mammals with a shotgun, so don't mention that slugs can be used on any animal (e.g. Warthog and Jackal).

Only mention the bird species and the relevant shot sizes to be used on them.

- 5) Many other points regarding when permits are required for certain types of hunting, hunting methods, etc.

Please don't ask me to provide all the details in the regulations/acts as I might miss something and might be blamed for not bringing it to the members attention.

Go and read these documents that are available in electronic format if you ask the DEPARTMENT OF ENVIRONMENT AND NATURE CONSERVATION to send you a copy.

You will learn a lot of other interesting things if you read these documents and might find out that you are not complying with the LAW in some instances and if caught out this will have serious implications.

Remember
IGNORANCE IS NO EXCUSE.
